

✓ N.D. Sports Psychology

What I do as a teacher is guide my students in what to do with the golf club and in recognising how to feel it so that over time, the golf swing becomes a natural movement.

I have built my teaching method based on my academic background and my playing experience gained through training with such greats as Vivien Saunders OBE (British Open Champion, 1977), Tim Cusick (GOLF Magazine's Top 100 Teachers in America), AJ Bonar (R&D TaylorMade®), Eddie Birchenough (Club Professional at Royal Lytham, Open Venue) and Simon Holmes (Sky Sports Golf).
